

Comprehension Strategy Library: Second Grade

The titles in this collection for second grade classrooms reflect a balance of fiction (FIC), nonfiction (NF), poetry, (POE), and traditional literature (TL). The titles are organized by comprehension strategy; the comprehension strategies are ordered to provide scaffolding from one strategy to the next.

The *Second Grade Comprehension Strategy Library* will provide any classroom with multiple read-aloud/think aloud opportunities for each strategy throughout the school year. Classroom sets of selected titles will provide teachers with an excellent resource for shared reading instruction.
